Company: Alien Autopsy, Birmingham.

Services: Branding, social media, and website design.

Bringing Extra-Terrestrial Energy to the Alien Autopsy Podcast!

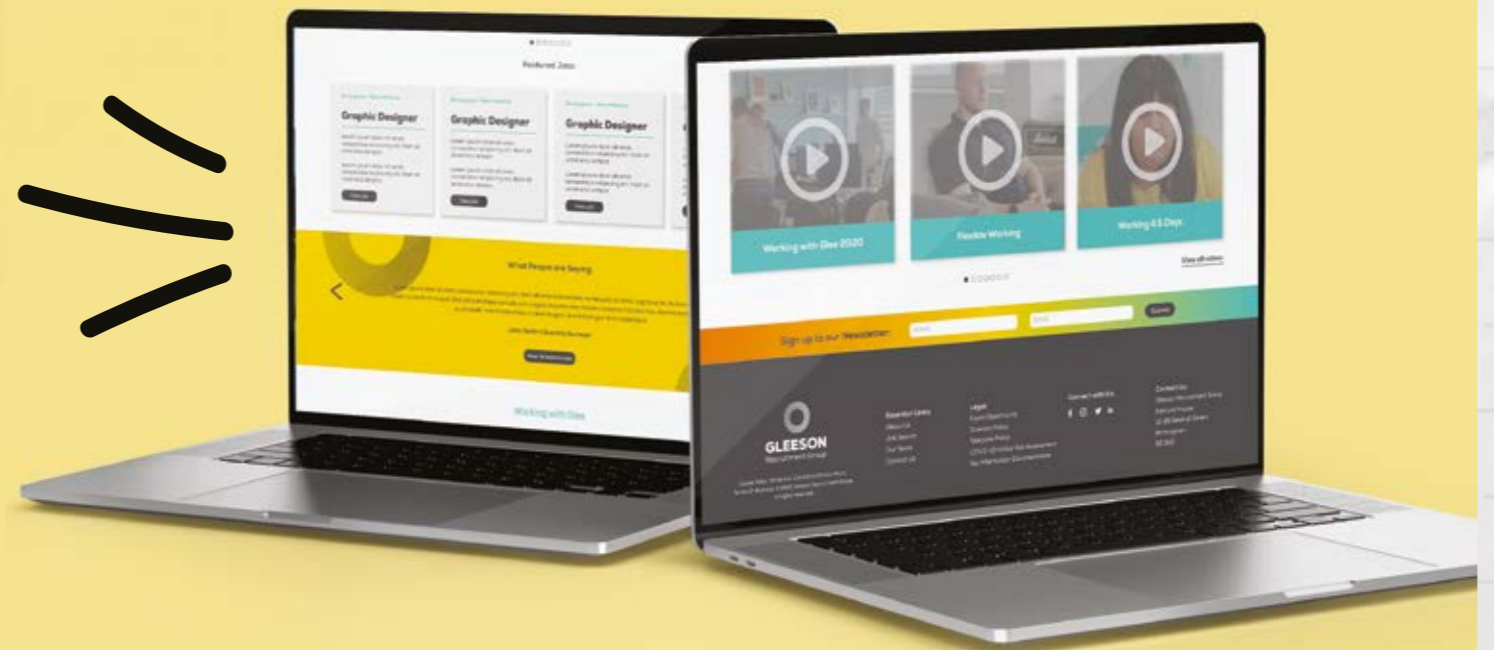

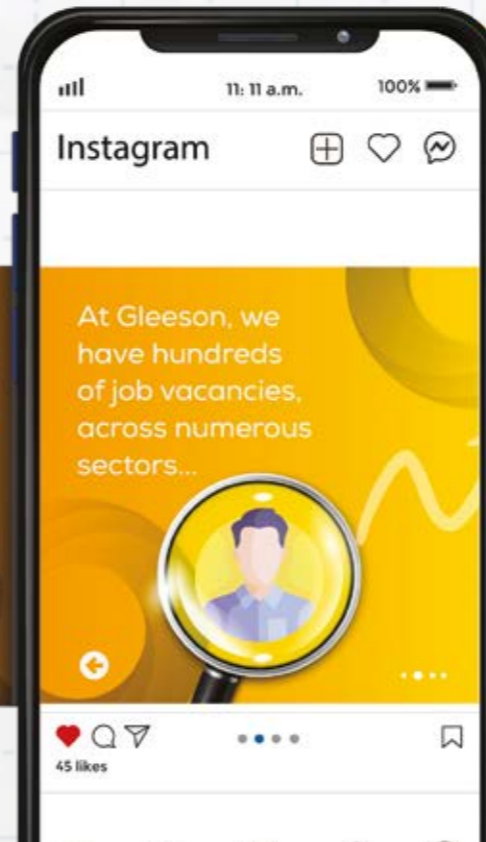

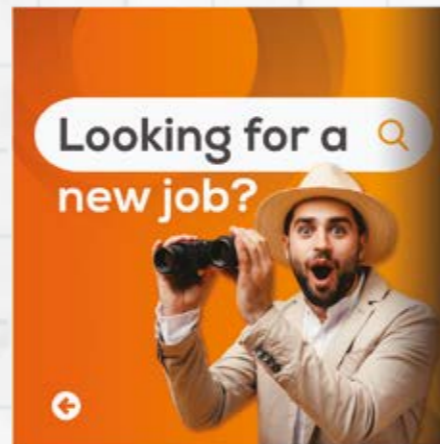

Transforming a friend's sci-fi podcast with bold, characterful design crafted for anime fans, conspiracy enthusiasts, and men aged 18–35. This freelance project included a full visual identity including logo, website, branding and social media to amplify engagement and bring the show's quirky universe to life.

GLEESON
Recruitment Group

Company: Gleeson Recruitment Group, Birmingham.
Services: Branding, social media, and website design.

Putting the GLEE back into the Gleeson Recruitment Group!
Worked with Gleeson Recruitment Group to refresh their brand for a younger, wider audience, contributing to a new logo, social media concepts, and website direction.

Company: City of Wolverhampton – Wolverhampton Council, Wolverhampton.
Services: Branding, and promotions.

A Month Long Event that Celebrated Everything Wolverhampton!
 In collaboration with Wolverhampton City Council and the Wolverhampton BID Company, I played a role in conceiving and producing promotional materials designed to inspire visitors to explore the City Centre and engage in the array of activities available across the city.

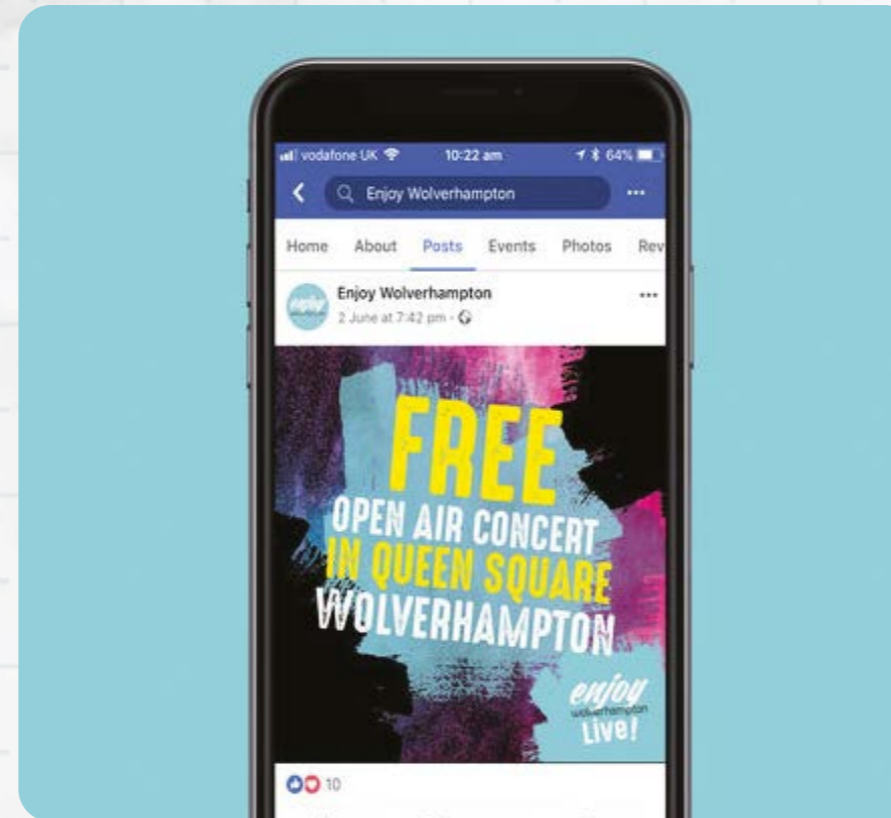

Company: Holland Broadbridge Estate Agents, Shrewsbury.
Services: Promotions, print design, and vehicle graphics.

Freshening up Shrewsbury's Oldest Estates Agents...
 Holland Broadbridge sought to modernise their marketing and connect more effectively with their target audience. I designed a Maltese-cross brochure showcasing their services and created a branded vehicle wrap to strengthen their overall visual presence.

Company: Enjoy Wolverhampton, Wolverhampton.
Services: Social media, email marketing, print design, and promotions.

Creating Positive Change within Wolverhampton City Centre

At Enjoy Wolverhampton, part of the Wolverhampton BID, I worked with the team to design marketing materials, create advertisements, and manage the website for key annual events including Enjoy Wolverhampton Live, Seaside in the City, and Wolverhampton at Christmas.

Company: BCS Group, Walsall.

Services: Email marketing, print design, social media, and content writing.

Creating an Impact for a Construction Company

In my capacity as a Graphic Designer and Marketing Executive at BCS Group, I worked in close collaboration with the Marketing team. My responsibilities included providing a wide array of graphic design solutions and contributing to the formulation of effective marketing and social media strategies.
